# Above Blue Suites

Above the endless Aegean blue, under the most majestic sunset  
and with a view of one of the planet's most energized volcano

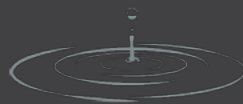

Above Blue Suites represents a new concept of sanctuary where ten suites perched in the highest point of the stiff cliffs, facing the endless blue of the Aegean Sea, combine harmonically the unique architecture of the famous Santorinian caves, with the sophisticated luxury and the particular decoration, offering generously a truly romantic atmosphere.

Suites are different in size and formation while an endless palette of coloring combinations offers to each one a unique personality and a singular style. Each suite offers stunning views to the Caldera, Thirassia, the volcano and the village of Oia.
