

The Hotel

A compelling blend of unsurpassed location and legendary old-school hospitality, Athermi Suites invites you to experience Santorini at its purest and most overwhelming. Let the loving couple Maria and Kosmas welcome and pamper you at what is more than just a place to stay.

As soon as you cross the picturesque wooden gates of Athermi Suites you will feel the embrace of its warm, personalized and discreet service that will make you feel right at home. The simple, elegant interiors in the internationally famous local Cycladic style complement the majestic views over the Aegean in absolute harmony, as all suites boast big verandas facing the sea.

The Suites

A domestic and stylish atmosphere combined with exceptionally personalised service that affords guests an intimate glimpse of everyday life on Santorini, without sacrificing comfort or privacy. Our five different suite types are presented below.
